OBJECTIVE

To pursue a PhD in Environmental History with a focus on resource extraction, exploring the ecological, cultural and economic dimensions of human-environment relations through interdisciplinary approaches that bridge history, ecology and social sciences.

EDUCATION

MA Ancient Indian History, Culture, and Archaeology | *St. Xavier's College, Mumbai* **GPA: 9.75/10.00**

BA History and Political Science | *Indraprastha College For Women | University of Delhi* **GPA: 8.091/10.00**

EXPERIENCE

Research Intern | *Gazetteers Department of Government of Maharashtra | Mumbai*

Collected and analysed data for the supplementary gazette of Akola district. Assisted the Museum and Archaeology Department in cataloguing Mughal mohurs from the Surat mint.

Teaching Assistant | *St. Xavier's College, Mumbai*

Provided assistance to the Head of the Department of Indian Knowledge System, focusing on technical module creation, scholarly assessment and paper review process.

Content Writer and Editor | *The Erudite, Delhi*

- Researched, authored, and edited articles, event briefs, and concept notes on society, culture, history and development.

PAPER PRESENTATIONS

Dhammasākacchā International Students Conference | *Department of Pali and Buddhist Studies | SPPU*

Presented a research paper on 'Buddhist Literature: Prospects and Challenges' and got awarded with a Certificate of Appreciation.

ACADEMIC PROJECTS

Master's Dissertation: Economic Narratives in Art

This dissertation aimed to unravel Mumbai's transformation by examining visual narratives created by foreign artists and to interpret the city's economic trajectory by contextualising these artworks with historical events.

Epigraphy Project: Nāneghāt Inscription of Nāganika

Conducted a detailed study of the Nāneghāt inscription, analysing its historical, linguistic and sculptural significance. Deciphered its Brahmi script and traced the evolution of letter forms through comparison with Asokan Brahmi.

Conservation Action Plan for St. Xavier's College, Mumbai, India

Conducted structural examinations, material analysis and risk assessments to evaluate threats to St.Xavier's College. Delivered a comprehensive Conservation Action Plan with detailed recommendations to the administration.

IZRAZ Art Museum Project: An Academic Case Study in Museum Planning and Design

A comprehensive academic exercise in hypothetical museum design. Covered conceptualisation, collection planning, conservation protocols, and operational frameworks.
